3. [redacted] Richard Moose, Senate Foreign Relations Committee staff, called to say he and Charles F. Meissner, of the Multinational Corporations Subcommittee staff, would be leaving Sunday for a trip to Vietnam and Cambodia. Moose suggested that they come to Headquarters Thursday morning, 9 May, for the briefing and indicated that Meissner holds a current [redacted] clearance.

6. [redacted] Met briefly with Bill Ashworth, Senate Foreign Relations Committee staff, who told me that at the time of his call last week he was quite concerned about a reported statement by an active member of the Senate relating to Soviet MIRVs. The statement was made before a group of students but has been resolved as a garble.
